

E-CIGARETTES AND MARIJUANA VAPORIZERS

A CAUSE FOR CONCERN

FREE LUNCH AND INFORMATIONAL EVENT FOR
COMMUNITY LEADERS, BUSINESS OWNERS, AND HEALTH ADVOCATES

Wednesday, February 26, 2014 from 11:30–1:00 p.m.
Exempla Lutheran Medical Center, Conference Room D & E
8300 W 28th Ave, Wheat Ridge, Colorado

Expert speakers from medical, public health, and legal fields will discuss and respond to questions regarding the following topics:

- ➔ Health and safety concerns of vaporizing
- ➔ Growing problem of youth use
- ➔ E-cigarettes used as cessation devices
- ➔ Potential impact on smoke-free laws
- ➔ Solutions for public spaces, work settings and school environments (including an example set by Edgewater, the first Jefferson County community to address public use of vaporizers)

SPACE IS LIMITED!

Please RSVP to tobaccofree@jeffco.us or 303-275-7555
by Friday, February 21, 2014.

*Hosted by Exempla Lutheran Medical Center and sponsored by
Jefferson County Public Health's Tobacco Prevention Initiative.*
